Feedback Summary

The feedback form for the year 2023-24 was collected and analysed. The 710 responses of the feedback form was observed and the analysis revealed that the majority of students considered the academic syllabus valuable for subsequent studies in postgraduate degrees, employment and entrepreneurship, as well as personality development. The majority of students believed that the syllabus was almost good and useful in terms of global competency and ICT, and that it added values such as nationality, social responsibility, social justice, and environmental awareness. Students believe that the syllabus is effective in eradicating superstitions. Another feedback examined the features of the college campus and the facilities it offers. With the photocopying and xerox facilities, the students felt that the books and reading materials are more readily available at the library. The library offers a spacious area for reading and the easiest accessibility to online learning materials. They found the librarians were more helpful and cooperative than before. The college's administrative staff do their best to be helpful. The majority of students found the accessibility of the reading area and common room, lab equipments in a proper order, well-organized and maintained classrooms, buildings / classrooms easily accessible to differently-abled students, neat and clean toilet/washroom, fresh water for drinking, and sufficient electrical power to be optimal. The majority of students felt free to move anywhere in the college campus without any hesitation. They found the campus to be green and eco-friendly. Students looked forward to their grievances/problems being addressed/solved in the most effective possible way. They also believed that the college's Placement Cell(s) perform satisfactorily and appropriately. Students found the Physical Education and Sports Department of the college working satisfactorily as it encouraged students to participate and offered a platform to enhance their career. Students also felt that the NSS department of the college provided them a platform to enhance social responsibility and their participation in the cultural activities has helped them to know and develop their hidden talents.
