

Navjivan Science College, Dahod

Certificate course (2024-25)

Spoken english

Total Hours: 30 hours

Course background:

Spoken English refers to the ability to communicate thoughts and ideas verbally in the English language. It involves using spoken words and phrases to express oneself, participate in conversations, and convey information. Fluent spoken English is important in various aspects of life, including business, personal interactions, and education.

Objectives:

- **Improving Speaking Ability:** Developing the ability to speak clearly and confidently in English.
- **Enhancing Conversational Skills:** Gaining proficiency in engaging in natural and effective conversations.
- **Improving Vocabulary and Grammar:** Expanding vocabulary and understanding grammatical structures for better expression.
- **Boosting Confidence:** Overcoming fear of speaking English and building self-assurance.
- **Developing Listening Comprehension:** Understanding spoken English and responding appropriately.
- **Improving Pronunciation:** Achieving correct pronunciation and accent for better intelligibility.
- **Understanding Phonetics:** Gaining knowledge of the sounds of English (phonemes) and how they are produced.
- **Understanding Speech Rhythm and Intonation:** Learning about the rhythm and patterns of spoken English.
- **Improving Body Language:** Developing non-verbal communication skills to complement spoken language.

Course schedule:

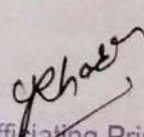

There will be 1 hour of teaching for 30 days of time period with mutual discussion and understanding of subject.

Report of certificate course in spoken English

The course in spoken English was conducted by Navjivan science college, Dahod from 31 July 2024 to 27 August 2024 in which 284 students from different college actively participated. The average duration of the teaching was 1 hrs. The course was aimed to clear the fundamental concepts of spoken English. The objective of the course was to prepare quality.

Teaching Method:

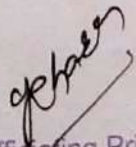

Simulation, language exercises, role play, pair work, discussion, group work and information gap are some learning and teaching approaches that may be used in communicative language teaching classes. All of these strategies can help learners participate in the communication process.

Delivery Methods :

face-to-face instruction, online learning platforms, and blended learning approaches, which combine both online and in-person elements. These methods can incorporate diverse techniques like role-playing, group discussions, and interactive activities to foster fluency and communication skills.

Conclusion :

spoken English classes offer a multitude of benefits, from enhanced communication skills and increased career opportunities to broader cultural understanding and personal growth. By investing in spoken English, individuals can unlock a world of possibilities and improve their overall quality of life.
