## MEMORANDUM OF UNDERSTANDING (MOU)

Between

NAVJIVAN SCIENCE COLLEGE, DAHOD

(Botany Department)

AND

GOVERNMENT SCIENCE COLLEGE, SANTRAMPUR

The purpose of this MOU is to establish a framework for cooperation in the field of Botanical Research and Education. Both parties aim to enhance their scientific capabilities through the exchange of knowledge and resources.

Through this memorandum both parties affirm the value of collaboration and agree to promote the following activities.

### Objective

1. Exchange of faculty members for guest lectures and academic activities.
2. Organization of joint seminars, workshops, field visits, and training programs.
3. Student exchange for academic enrichment and laboratory exposure.
4. Sharing of laboratory facilities, herbarium resources and research expertise where feasible.
5. Exposure of students to research institutes, botanical gardens, forests, agricultural research centres for experiential learning.
6. Facilitation of botanical excursions and student internships
7. Both Institutes shall be organizing programs related to Botany.

This MoU shall come into effect from the date of signing and will remain valid for a period of five years, subject to renewal upon mutual consent. Both institutions agree to work in a spirit of cooperation, ensuring quality academic enhancement for students and faculty members.

The agreement places no financial obligation or supplementary funding on either party. These activities will be through separate program agreements must be approved in writing by the authorized representatives of each institution.
